

## Privacy Policy

### Stichting Rescue Dogs and Cats NL

Rescue Dogs and Cats NL only collect your data for the purpose of mediating the fostering or adopting of Lithuanian shelter animals.

Rescue Dogs and Cats NL will never share your details with any non-relevant individual, organization or company without your expressed written permission. This permission may be provided to your contact person within Rescue Dogs and Cats NL and/or via [rescuedogsandcatsnl@gmail.com](mailto:rescuedogsandcatsnl@gmail.com). The relevant parties for the purpose of adopting an animal are:

**Volunteers:** The volunteers within Rescue Dogs and Cats NL share the relevant data with each other, shelters and drivers for the purpose of mediating and following up on fostering or adoption.

**Shelters:** We share your full name, contact details and any pictures and videos of the animals or your home that you wish to share with them. We advise you to never show the front of your house, street and number unless you wish to do so.

**Fosters:** We share your full name, contact details and any pictures and videos of the animals or your home that you wish to share with them. We advise you to never show the front of your house, street and number unless you wish to do so.

**Drivers:** We share your full name and contact details provided by you after signing the adoption contract. This is shared for the purpose of delivering the animal directly to your home. No videos or images will be shared with them unless you wish so if it is relevant for them to deliver the animal to you.

By sharing pictures and videos of the animals after adoption, you agree that Rescue Dogs and Cats NL may use the pictures to share the animal's journey within the group of volunteers and on social media. Any pictures or videos that include human faces and/or personal information will only be shared publicly with your expressed written consent.

#### **GDPR and AVG**

If you no longer wish to be contacted by Rescue Dogs and Cats NL, you may choose to opt out of future communications by sending an email to [rescuedogsandcatsnl@gmail.com](mailto:rescuedogsandcatsnl@gmail.com).

In compliance with EU (GDPR) and Dutch law (AVG) you have the right to request your data and the right for the data to be deleted. You can make a written request for your data to be deleted to [rescuedogsandcatsnl@gmail.com](mailto:rescuedogsandcatsnl@gmail.com). Please note we are legally required to maintain certain data in accordance with Dutch and EU law. Any requests have to be submitted with the same email address provided during registration so we can identify the person making the request.
